Multipage Booklets - Custom orders & custom sizes

eCPRINT offers a wide variety of sizes and methods to bind your documents and books for a professional finish. Some other alternative finishing options include:

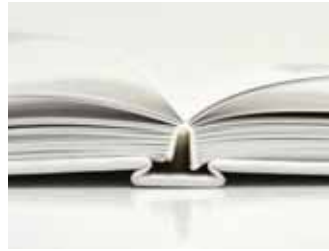

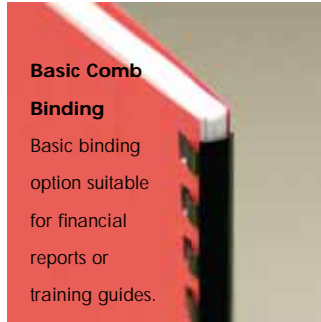

Coil/Spiral Binding

Coil/spiral document binding allows you to lay documents flat when open, or turn pages notebook-style. Best suited for small orders or where saddle stitching may not be suitable or economical.

Basic Comb Binding

Basic binding option suitable for financial reports or training guides.

Hard Bound Books

This binding type will give your work the high quality finish you would find at a major publishing house, for small and large order sizes.

Perfect Bound Books

This binding style resembles a paperback book, and comes in a variety of sizes. Add laminating for a professional look. Perfect binding is best suited for larger documents above 60 pages as well as custom trim sizes. Minimum order quantities apply due to set up costs, cheapest option for large custom orders.

Design Consultation

We can advise you on the best finish to suit the objectives of your publication.

Laminating, spot varnishing, as well as foiling & embossing, just to give your document even greater visual appeal.

You want to attract your readers' attention!

You want them to turn the page and read on....

eCPRINT will design your publication to be easy on the eye and easily understood. Images, copywriting, typography, photography, design and layout must work together to invite the viewer to read on and allow you to get your message across in a memorable and pleasurable manner.

Our design team has decades of experience in graphic design and publishing all over the globe. If you would like to arrange a free consultation to touch and feel some examples of our work or to discuss and plan your publishing project, contact your nearest eCPRINT office - contact info is on the back cover of this booklet.

Pricing within this catalogue is all inclusive of pre-press, plates and printing charges. Prices shown are not inclusive of GST, and do not include any in-house design charges or pre-flight checking of client supplied files, nor making any amendments to client supplied artwork in the event that artwork is not supplied to our specifications.

If in doubt about your ability to provide artwork for commercial printing, we highly recommend that you request a quote from us to design your publication and then you can relax in the knowledge that your job is in safe, professional hands.

Turnaround times shown are indicative only and eCPRINT does not provide any guarantee that your job will be completed by any 'set time or date'. If you have an urgent job or a deadline, we can accommodate this, and we often do, however you will need to request a quote to run your job as 'EXPRESS' and pricing shown in this catalogue will not apply.

The prices shown in this catalogue are accepted by the client when ordering on the basis that their job is 'non urgent' without a deadline, but we will endeavour to have your job ready for despatch within our stated time frames. Pricing shown in this catalogue is not inclusive of any delivery costs, clients need to arrange their own collection from our premises or request a quote inclusive of delivery to their stated location.
